

Eligibility and Documentation Checklist

SWIG Finance provides business loans to SMEs in the South West region. Our loans range from £25,001 - £250,000.

We lend in Cornwall & the Isles of Scilly, Devon, Dorset, Wiltshire, Swindon, Somerset, Bristol and Gloucestershire.

Our aim is to support otherwise viable businesses who are unable to secure their requirements through traditional sources such as the high street banks.

To help us process applications as efficiently as possible, please ensure that the application meets the eligibility criteria outlined below, and all supporting documentation has been included.

Part 1 - Eligibility

Is the applicant based in the South West?	
Is the application for £25,001 - £250,000?
